

# U.S. Army Materiel

*ESSENTIAL IN PEACE, INDISPENSABLE IN WAR*

## Command

Army Logistics

Enterprise

Office of the Deputy G-3 for Enterprise Integration, HQ AMC  
Integration

## Welcoming Remarks - Jim Folk

SSF Transition Workshop 28 May 2003

# Overview

- **Single Stock Fund (SSF) proponency transitioned to AMC 1 Jan 03**
- **Merged into the AMC G-3, Office of Enterprise Integration**
- **SSF Milestone 3 (MS 3) implementation continued on schedule**
- **Last MS 3 Implementation 3 May 03: Eighth US Army, Army National Guard Region 1, and residual ARNG sites**

**Unqualified Success / Total Team Effort !**

# Objectives

- **Review the SSF Milestone 3 implementation process**
- **Discuss current metrics and automated system Problem Reports**
- **Work through current SSF actions/ issues**
- **Communicate the "road-ahead" for how SSF functionality will be included in modernizing logistics and financial systems**
- **Describe current initiatives and new AMC responsibilities**

# Critical SSF Success Factors

- ✓ **Senior Leadership Sponsorship & Involvement**
- ✓ **Initial Focus -- Process versus Information Technology**
- ✓ **Continuous Involvement of Process Owners**
  - **Business Rules**
  - **Testing**
  - **Readiness Assessments**
- ✓ **Regular Project Assessments**
- ✓ **Implementation/Deployment Strategy**
  - **Site Support Teams**
  - **Detailed Planning**
  - **Rapid Development Process - 28 months from project start to Initial Operating Capability**
  - **Site “dress rehearsals”**

# Perspectives

- **The success of the SSF program was built on:**
  - ▶ **Clear vision and objectives**
  - ▶ **Earned confidence & trust in translating that vision into reality**
  - ▶ **Consistent MACOM/stakeholders input**
  - ▶ **Clear metrics & business rules**
- **We will follow the same approach as we tackle the many challenges inherent in Army logistics enterprise integration**

# SSF in Transition

- **SSF mission completed**
  - **New missions and responsibilities:**
    - ▶ **Enterprise Integration**
    - ▶ **Consumable Supply Chain Management-Army**
    - ▶ **Exchange Pricing**
    - ▶ **Funds Control**
  - **Reorientation/reduction of SSF resources:**
    - ▶ **Implementation Teams**
    - ▶ **Management of SSF Problem Reports (PRs)**
      - ▶ **Priority 1&2 PRs processed through 31 Jul 03**
      - ▶ **Thereafter date, submit direct to applicable Central Design Agency**
      - ▶ **MS 3 Implementation metrics tracked through 31 Aug 03**
  - **AMC assistance available to field units:**
    - ▶ **Installation Supply & Maintenance Reps (ISRs/IMRs)**
    - ▶ **CTASC Representatives**
- HQ AMC G-3 staff**
